How to Prepare for a WSET Qualification

WSET qualifications can only be offered by organisations approved by WSET Awards, known as Approved Programme Providers (APPs), and candidates wishing to study for a WSET qualification must enrol with an APP. The candidate's relationship is with their APP and the APP is responsible for the delivery of the course and administering the examination, which is set by WSET Awards.

Group study with an APP is the best way of learning how to taste, but some APPs also prepare candidates for our examinations by distance learning.

A list of Approved Programme Providers (APPs) is published on the WSET website www.WSETglobal.com. Please contact the APP directly to find out about their programmes.

If you are interested in becoming an APP please contact the APP Administration Team, appadmin@wset.co.uk.

Diversity and Equality Policy

WSET Awards fully supports the principle of diversity and equality and is responsible for ensuring that all candidates for its qualifications are treated fairly and on an equal basis. A copy of our diversity and equality policy can be obtained from the APP Administration Team, appadmin@wset.co.uk.

Customer Service Statement

The quality and scope of service that customers can expect from WSET Awards is published in our Customer Service Statement. A copy can be obtained from the APP Administration Team, appadmin@wset.co.uk.

In the unlikely event of any dissatisfaction with the service received, please contact the registered APP in the first instance. If the issue is not resolved please contact the APP Administration Team, appadmin@wset.co.uk.

Scholarship Scheme

Scholarships are awarded for each academic year, which runs from 1 August to 31 July. Candidates who achieve outstanding marks in their examinations *may* be eligible for a scholarship. The scholarships are managed by WSET Awards, and eligible candidates will be contacted by WSET Awards after the end of each academic year once all the results for qualifying examinations have been collated.

There are many scholarships on offer; please go to the scholarships page on the WSET website for more details, www.WSETglobal.com/qualifications/scholarships.

Please note that these scholarships do not take the form of financial grants to fund studies, but are in recognition of examination performance.

Introduction to WSET® Level 3 Award in Sake

Qualification Aims

The WSET® Level 3 Award in Sake is designed to give a thorough understanding of sake and its commercial importance in the world's market. The qualification will assist those who are required to make professional evaluations of sakes with regards to their quality and commercial value. The qualification provides the in-depth product knowledge required to underpin job skills and competencies, for example in product selection in the retail and hospitality sectors.

Successful candidates will be able to describe the characteristics of the principal sake categories and give information on the key factors influencing style, quality and value. They will consequently be in a position to advise management, to answer customer queries authoritatively, and to make informed selections of sakes in a variety of situations.

Qualification Structure

In order to meet the qualification aims there are 5 learning outcomes spread over two Units. In order to gain the WSET® Level 3 Award in Sake candidates must pass both Units.

Unit 1: The Theory of Sake

Learning Outcome 2	Identify and describe the characteristics of the principal and speciality categories of sake and explain how ingredients, production techniques and commercial factors influence the style, quality and price of these sakes.
Learning Outcome 3	Demonstrate an understanding of the sake trade organisations in Japan and the commercial importance of sake in the Japanese and export markets

Enrolment

Completion of the WSET Online module 'Introduction to Sake' or an equivalent level of experience is recommended for entry to the WSET® Level 3 Award in Sake. Potential candidates should discuss their current level of knowledge with their APP before enrolling on the course, to ensure that this is a suitable qualification for them to study.

Candidates who are under the legal minimum age for the retail purchase of alcoholic beverages in the country where the examination is being held, or those who choose not to taste alcohol for health or religious reasons, will not be allowed to sample any alcoholic beverage as part of their course. These candidates will not be eligible to complete the assessment for Unit 2 of the WSET® Level 3 Award. In such instances, candidates will receive a

record of achievement on successful completion of Unit 1, but will not be awarded the WSET® Level 3 Award qualification.

Guided Learning Hours

It is recommended that a candidate should allocate a minimum of 28 hours of study in order to prepare successfully for the WSET® Level 3 Award in Sake. Examination Guidance

Examination Administration

Examinations are conducted by WSET Approved Programme Providers (APPs). Administratively, APPs must comply with the criteria and codes of practice set out in the *Operating Handbook*.

Assessment Method

The WSET Level 3 Award in Sake will be assessed by a closed-book written examination and a tasting examination. In order to gain an overall pass a candidate must achieve a pass mark of 55% in both the written and the tasting examination.

Candidates must sit both units at the same sitting. Only resit candidates who have achieved a pass in one unit are permitted to sit single units. WSET® Awards does not offer aegrotat awards, all assessment requirements of the qualification must be met.

Unit One: Written Examination

The closed-book written examination is set by WSET Awards and assesses Unit One of the specification. It is made up of two parts.

- Part one comprises 50 multiple-choice questions. This part will assess knowledge and understanding across the unit.
- Part two is a question paper requiring short written answers. This part will consist of three questions of twenty five marks each, and will assess the application of knowledge across the unit.

The written examination paper must be completed in 1 hour and 30 minutes.

All examination questions are based on the published learning outcomes and the recommended study materials contain the information required to answer these questions correctly. In order to secure a pass for the written examination a candidate will be required to attain a minimum mark of 55% in both part one and part two

Unit Two: Tasting Examination

The tasting examination assesses Unit Two of the specification. It will be internally set and marked by a WSET® Approved Level 3 Internal Assessor using an assessment brief provided by WSET Awards. The results will be verified by WSET® Awards.

The examination will consist of two blind sakes and will assess a candidate's ability to accurately describe a sake and draw conclusions based on these observations. The tasting examination must be completed in 30 minutes.

In order to secure a pass for the tasting examination a candidate will be required to attain a minimum mark of 55%.

- Candidates who arrive after the published start time will NOT be allowed to sit the examination if any other candidate has already left the examination.
- Candidates who arrive late may be allowed to enter the room at the discretion of the invigilator and only if other candidates are not compromised. Under normal circumstances we would not expect any candidate to be allowed to start the examination if they arrive more than 30 minutes after the published start time.
- Candidates may not leave, and then return to, the examination room once the examination has started unless they can be accompanied by an invigilator at all times while they are out of the examination room.
- Candidates who complete the examination early may leave the examination room up until the last 10 minutes providing they do not disturb other candidates; no re-admission is permitted.
- Invigilators have no authority to comment upon, interpret, or express an opinion on any examination question.
- Any candidate who is suspected of misconduct will be advised to leave the examination room immediately and their examination paper will be submitted to the Examination Panel to determine its validity and any future ban on sitting papers.
- No examination question papers are to be removed from the examination room; candidates who fail to submit the question paper with their answer sheet will be deemed guilty of misconduct.
- It is prohibited for candidates to reveal the content of examination papers to others, or reproduce it in any way.

5.2 Candidates also agree to abide by the Invigilator's instructions. Failure to do so may render a candidate's results invalid.

5.3 Examination papers and answer sheets are the property of WSET Awards and will not be returned to candidates.
